Form 990 - Additional Information

The Organization received donated services estimated at $50,041. This amount has not been included in the amount reported as contributions on Part I, Line 8. This amount was used in projects or to provide direct support to individual Veterans. This amount has been included in the description of program services at Part III, Line 4a.

Form 990, Part III, Line 4a - First Accomplishment

charitable to the approved veteran. Often times, the need is immediate and the veteran doesn't have time to wait. PHH's ability to help is enhanced by those donors and foundations that recognize the housing needs of veteran families, and allows PHH to respond and make a difference. In 2016, through the VAIP program, PHH completed 19 projects.

In an effort to engage more volunteers for VAIP projects, PHH began Operation Veteran Home Renovation (OVHR), a campaign that focuses on community collaboration with National League of Cities and credit unions around the country. The partners were empowered to activate the PHH mission in their communities. Veterans were located in the service areas identified and VAIP projects were completed in coordination with PHH and the community partners. The OVHR campaign resulted in increased awareness across the nation and interest for new chapters of PHH. In total, the OVHR campaign completed 9 projects in 2016.

Veterans Home Ownership Program (VHOP) completed 4 projects in 2016. Each

project enabling qualified financially responsible veterans to achieve the dream of homeownership. The homes sold through VHOP have been sold with owner occupied deed restrictions to enforce that the home is owner occupied. A "soft" second non-payment bearing mortgage is placed on the home. The "soft" second is set to self diminish in equal increments of a 5 -year period, which preserves the mission of the program by preventing windfall sales, refinancing, or a foreclosure as PHH is listed as the mortgage holder of record. Homeowners that complete a five-year period of making all first mortgage payments in agreement with the lender and maintain owner occupancy have their "soft" second mortgages released after five years. This five-year period exceeds the "duration of concern" that the affordable housing industry has determined the greatest risk for new homebuyers.

In order for VHOP to work, the program requires donated properties. The organization receives homes as a donation from multiple sources including individuals, banks, and local municipalities. Upon receipt, these gifts-in-kind are recorded at the home's estimated fair market value as a contribution and as an asset. The current year total for real estate gifts-in-kind is $239,900, estimated at fair value at the time of donation. The amount of $239,900 has been included in the amount reported on Part VIII, Line 1f. Upon the sale of the property to a veteran, there is a 1st mortgage by the veteran for 50% of the value. The remaining 50% is a "soft" second mortgage held by PHH and is amortized over a 60-month period. Some donated properties are sold to non-veteran owner occupants and investors after PHH has held them for a minimum period and has not been able to place a veteran in these properties. These sales are reflected on Part VIII, line

7c, and resulted in a loss on the cumulative sale in the amount of $252,305. This loss is based on the sales price minus the amount recorded at the time of donation (fair market value). This loss is a non-cash loss and merely reflects the adjustment from the donated value.

With ever-changing market conditions, the inventory of bank owned foreclosures has declined. This known and continuing shift led us to implement new methods of delivering new homeownership opportunities and enabled us to accept multiple donations of properties from individuals which will remain a focus going forward in 2017.

Education:

PHH continues to look for every opportunity to engage students of all ages, K-12 and college level. We engage students through school assemblies, JROTC/ROTC programs, school clubs, Boy/Girl Scouts of America, Patriotic events and celebrations. In 2016, it is estimated that we reached over 20,000 students through our efforts, which resulted in hundreds of our nation's youth engaging with and volunteering on veterans' projects.

Awareness:

General awareness for the need of the older veteran population continues to be a staple in PHH messaging. In 2016, there has been an increased awareness and volunteerism- including all forms of published, social, and digital media programs with over 35 million impressions. Additionally, PHH maintains focus on developing awareness and volunteer support at the local level with each community, providing an improved overall experience to the veterans and families served.

Name of the organization: Purple Heart Homes, Inc.

Employer identification number: 26-3516121

Second Accomplishment

One of the goals for 2016 was to incorporate and charter additional PHH chapters. Five more chapters were added to the five existing chapters. The ten chapters are distributed over 8 states: NC (2), SC, NY (2), CO, GA, TX, OH, and MI. Collectively, the chapters completed 40 projects, with a strong pipeline of additional veteran candidates and partnerships within the communities in and around their service areas. Furthermore, the chapters total revenues topped $282,000 and created opportunities for over 500 volunteers that worked more than 4,200 volunteer hours on projects, events, and fundraisers. This is the result that was envisioned as the chapters were devised and developed. More chapters added means more veterans overall were provided program services in a greater geographic area.

Third accomplishment

One of the major goals for PHH Board of Directors has been for long-term sustainability. This goal includes the charity owning a facility that is suitable in size and composition for housing a growing staff while meeting the warehousing and storage needs. In December of 2016, PHH purchased a 14 -acre, 70,000+ square foot facility in Statesville, NC. While this purchase was a stretch for the organization, the seller provided a 55% price reduction from appraised value. This property will serve as the permanent base of operations for PHH, providing substantial office and warehouse space for now and into the future.
